RESEARCH INTERESTS

Humanitarian logistics, supply chain management, and inventory management with a focus on prepositioning, stock sharing, postponement, and debris removal operations.

EDUCATIONAL HISTORY

Ph.D. in Industrial Engineering · 2024

Ozyegin University, Graduate School of Science and Engineering, Istanbul, Türkiye

Thesis: *Enhancing Efficiency in Humanitarian Prepositioning through Postponement and Stock Sharing*

Advisor: Prof. Burcu Balçık

M.Sc. in Industrial Engineering · 2016

Marmara University, Institute of Pure and Applied Sciences, Istanbul, Türkiye

Thesis: *A Model for Design of Humanitarian Logistics Systems and A Case Study from Sakarya District of Turkey*

Advisor: Prof. Özalp Vayvay and Prof. Gülfem Tuzkaya

B.S. in Industrial Engineering · 2013

Sakarya University, Sakarya, Türkiye

Spring 2012: Production Systems Intern, Divan Furniture, Mattress Line Team, Sakarya, Türkiye

Fall 2011: Erasmus program; Institute of Technology Tralee, Kerry, Ireland

EMPLOYMENT HISTORY

Istanbul Medipol University, Engineering Faculty, Industrial Engineering Department, Istanbul, Türkiye

Teaching Assistant; Undergraduate Student Advisor; Student Accessibility Coordinator; High School Outreach Coordinator; Erasmus Coordinator · 2015 – 2022

Sakarya Iz Reklam Ltd. Şti, Quality Management Team, Sakarya, Türkiye

Quality Engineer · 2013 – 2015

Kordsa Global Turkey, Kocaeli, Türkiye

Management and Production Intern · Summer 2012

Temsa Global, Adapazarı, Türkiye

Operations Research Analyst · Summer 2011

GRANTS:

1. Principal investigator: Dr. B. Balcik, Researchers: **L. G. Kasap** and B. Adsanver, "Modeling and Analysis of Stock Sharing and Postponement Strategies in Regional Humanitarian Relief Networks," funded by The Scientific and Technological Research Council of Turkey (TUBITAK) 1002 [120M023], 2020 – 2021.
2. Principal investigator: **L. G. Kasap**, "Fair Sharing Of Delayed Product Pool Cost Between Different Humanitarian Organizations In A Humanitarian Warehouse," funded by The Scientific and Technological Research Council of Turkey (TUBITAK) 2214A, 2020. *Approved, but not utilized due to COVID-19.
3. Principal investigator: Dr. H. Tozan, Researchers: M. A. Karadayı, Y. G. Gökmen, **L. G. Kasap**, "Process Improvement of Operating Rooms via a Simulation-Based Optimization Approach," funded by Istanbul Medipol University Scientific Research Project, 2017 – 2018.

TEACHING EXPERIENCE

Istanbul Medipol University, Engineering Faculty, Industrial Engineering Department, Istanbul, Türkiye
Teaching Assistant · 2015 – 2022

- Held tutorials and review sessions, prepared exam questions, and evaluated student work
- Courses (undergraduate level): Introduction to Industrial Engineering (Excel Solver), Introduction to Modelling and Optimization (Lingo, Gams, Eclipse), Computer Aided Technical Drawing (AutoCad), Applied Statistics (SPSS), Stochastic Models, Modelling and Simulation (Arena Simulation), Network Flows and Integer Programming

Ozyegin University, Engineering Faculty, Industrial Engineering Department, Istanbul, Türkiye
Teaching Assistant · 2016 – 2021

- Held tutorials and review sessions, and evaluated student work
- Courses (undergraduate level): Simulation Modelling and Analysis (Arena Simulation), Operations Research I and II, Programming for Operations Research (Java), Supply Chain Management, Probability and Random Variables, Supply Chain Management

PROFESSIONAL RECOGNITIONS AND HONORS

- Ranked 1st in the Industrial Engineering Department of Sakarya University · 2013

PROFESSIONAL MEMBERSHIPS

- The Institute for Operations Research and the Management Sciences (INFORMS) · 2022 – Present
- INFORMS, The Section on Public Sector Operations Research (PSOR) · 2022 – Present
- Production and Operation Management Society (POMS) · 2022 – 2024
- POMS, College of Humanitarian Operations and Crisis Management (HOCM) · 2023 – 2024
- The International Federation of Operational Research Societies (IFORS) · 2021 – 2022

SKILLS AND ABILITIES

- **Programming:** Java
- **Math Software:** CPLEX, Arena Simulation, SPSS, Matlab, Lingo, Gams
- **Database:** Access
- **Languages:** Turkish (Native Speaker), English (Fluent)

CITIZENSHIP AND RESIDENCY

- **Citizenship:** Türkiye
- **Residency:** U.S. Permanent Resident (Green Card Holder)
